

CELL PHONE POLICY

The ability to take photos without others knowing has raised significant concerns for members within HCMHA. The potential exists for inappropriate use of camera phones by their operators photographing others undressing and showering in change rooms.

The potential danger of violating an individual's privacy will not be tolerated by HCMHA. Therefore, HCMHA has implemented the following policy:

"The use of any form of camera, video camera, camera phone, or personal digital assistant (PDA) such as a tablet, ipad, etc. is prohibited in any recreational facility change rooms during any HCMHA sanctioned event."

If phones or other mobile devices must be used, they must be taken outside of the locker room.

Coaches, team manager or other change room attendants are responsible for monitoring cell phone use.
