

Facility Damage

HCMHA believes that all facilities are to be treated with respect. Any complaints reported back to HCMHA by the Town of Black Diamond or other attending association, municipality or organization regarding (but not limited to) physical damage, substance abuse (examples., chewing tobacco), and/or generally leaving the room in an unsanitary condition, will be reviewed by HCMHA and may be dealt with as follows.

- 1st Offence: Janitorial/Restitution Fees
- 2nd Offence: Janitorial/Restitution fees as well as a two week player suspension from all hockey activities including practices and games
- 3rd Offence: Janitorial/Restitution fees as well as player suspension from all hockey activities including practices and games for the remainder of the season. No refunds will be issued.

In all instances a written apology must be drafted by the offender and sent to the complainant within 7 days.

Facility damage is also a violation of the HCMHA Player Code of Conduct and offenders will be subject to the disciplinary measures as outlined in the HCMHA Policies and Procedures Manual in addition to the above sanctions.
