2. Opening remarks – presented by Candace Thomson

Good evening,

Thank you for attending the 2022 AGM.

At the start of our season, we had no idea how things would unfold. And every week we were holding our breath to see if the season would be altered or shut down completely. Thankfully, we had a full season with minimal COVID related issues.

We did unfortunately lose our U11 division due to low numbers and placed them in Okotoks. Some players went to HSL and a few other families did not register due to COVID concerns. We hope to see them return this upcoming season.

The remaining teams had good seasons. Our U13 Tier 5 and U15 Tier 3 competed in playoffs. Our U15 Tier 3 clinched the League banner. First banner to come home in quite a few years.

We are so proud of all our players and look forward to a great 2022-2023 season.

12. Information – Revised By-laws (voting required), Arena Ice Fees, Casino June 12-13, Shared Player Proposition.

- **Revised By-laws (reviewed and adopted)** - Motioned by Candace Thomson, second by Angie Dawson. All in favor. Motion carried.
- **Arena Ice Fees** – The Board of Directors attended the Town of Black Diamond Budget meeting on March 31, 2022 to present a request to review the ice fees that directly affect our registration fees. We will not know the outcome until late June/early July when they set the ice fees for the season. You can review the presentation on our March Meeting Minutes on our website.
- **Casino** – We are scheduled to have a casino fundraiser on June 12 and 13. We are waiting for the volunteer schedule to get members to help out. We are suspecting we will require ~30-35 volunteers to cover all shifts. Once we have all the detail, we will send out the information in our newsletter.
- **Shared Player Proposition – presented by The Boisjoli and Thiessen families.** The proposition is something smaller associations that run next to a large association have in place to allow higher tiering players to play within their skill level and gives smaller association players to facilitate adequate teams. The Board was been looking into this concept as an option for sustainability. The Board will continue to work on this.

13. Question and Answer portion:

Increase practice time as there was a benefit and all U15 A coaches, players and parents want to have it - Malinda Chanyi

Divisions (U9 – U18) get 2 practices per week at 1 hour, and we only have a set block time sandwiched between Foothills Skating Club and Men’s League. If we have full division, U18 may have to have 1 practice in the morning. We could look at increasing the time, but we have no guarantee what our ice looks like each (number of teams registered) and then we would need to increase fees to accommodate.

Tournament. Will there be a tournament is coming season? Can multiple division host a tournament? – Charlotte Lammerhirt and Lacy Stav

Yes, U11 will host the Face Off in the Foothills tournament. The option of multiple divisions hosting is something we can consider. We would need to think of pressure it be put on our local sponsors and we would need to consider that it would take away from our weekend ice time as the U11 typically host during CAHL tiering week.

Extra Development Opportunities. Okotoks has Coast 2 Coast throughout the season. She suggested that we could increase fees to accommodate. – Jessica Krulc

Typically, the U11 tournament funds go to support player development. We will continue to offer Conditioning Camp in September and if funds allow, additional development around December.

Advertising our programs and creating awareness.

Every spring we ask the Boys and Girls club, local daycares and schools within our boundaries to advertise in their school newsletters. It was brought to our attention that Millarville has not advertised and confirmed by other Millarville families. Tracy Irving emailed us a contact for the regional newsletter/newspaper. We also advertise on the Black Diamond and Turner Valley signs. Doing a “skate” as the Foothills Bison do. We have Rockies for a Night, but Covid has had that on hold.

14. Meeting Adjournment –
